SA

Anja Hentschke
Amy Hochuli

Details:

All members are required to report to the Registration Shed located at the Albury Equestrian Centre at 8am on Tuesday 19th April 2011 where members of the squad will be provided with shirts and allocated into coaching groups.

The squad will be introduced at the presentation of players on Friday night at 7pm along with the other state teams.

I would like to thank and acknowledge the support of the PAA and the Junior Development Officers and selectors in the states and territory whom they represent for the valuable commitment they make to junior development and opportunities to further coach and encourage our junior polocrosse players who are the future of our sport.

The Elite Boot camp was an incentive to give recognition in 2011 to the U16 junior players who are possibly the top performing players from their states/territory who are ready to participate in a further comprehensive course of development.

I trust the squad members find the coaching week with their squad members a beneficial and rewarding experience, not only from a learning experience but an opportunity to create special friendships in the polocrosse community.

The aim is to provide players with an opportunity for a more comprehensive course in polocrosse specific, horsemanship, sports psychology and fitness and expand opportunities for their future progress in their junior playing years.

Congratulations to all the players who have been chosen for the U16 Elite Squad. IF you have any questions, please do not hesitate to contact myself or your state Junior Development officers.

Kind regards

Annette Radford
